

Battery SOH Derating Curve

1. Introduction

This document describes in graphic form of the derating behavior of SolisStorage product models as below:

EverCore-100kWh

EverCore-120kWh

EverCore-261kWh

Test condition:

- Environment temperature: 25°C ± 2°C
- DOD:90%
- P-rate:0.5
- Cycles per year:365 times
- Cycles per year:730 times

2. SOH Derating Curve
